

August Monthly Meeting

8th August 2011

Dear LVP Members

The Monthly Meetup

This month's meetup will be held at Linear House Gallery, Peyton Place, off Royal Hill, Greenwich on [Wednesday 24th August from 7 pm until 9 pm](#). [Map below].

Please mail me if you need any further directions.

The meeting

The primary reason for the Monthly Meetup is to provide members with opportunities for feedback on their personal projects. The rest of us benefit from the discussions that arise & from getting an idea of how the LVP is shaping up.

It's also an occasion for raising any issues that give cause for concern about the Project. I'll be bringing along some discussion points arising from the correspondence I've had recently & which deserve an airing.

As always ... bring anything, at any stage, in any format as long as you can get it through the door.

Please mail me if you'd like a slot for the evening.

And finally...

Robert Painter first suggested creating a flickr site for the purposes of giving feedback to members who can't get along to the various meetings. I expressed my doubts as I thought it best to keep everything about the LVP on the LVP site. Then things changed!

The LVP flickrsite is here [<http://www.flickr.com/groups/londonvillagesproject/>].

You'll need a flickr account to access it. Tina Rowe has put together a flickr FAQ if you're new to the site, a document on geotagging & a link to her for any questions you might have [click on the Galleries page of the LVP site].
